Flight 315 Bulletin...*news of our heroes, 315th Airlift Wing Alumni Association*

You are Invited – The next alumni luncheon is Wednesday at 11am, October 6 at the Charleston Club. Mark you calendar and plan to attend. We had a great time at the last luncheon with 55 in attendance. Brigadier General James Bankers, 22nd Air Force Commander, our alumni founder and member addressed the group. Come share the fellowship and meet old and new 315th Airlift Wing military friends. Take time out to enjoy the camaraderie with your buddies and workmates...it's a morale thing!

35th Anniversary Gala – Colonel Gary Cook, the 315th wing commander praised the fine teamwork of the Gala Committee and alumni for a fine anniversary event. There were many nice comments on the honorary plaques presented to the former 315th wing commanders and command chiefs. He offered a special thank you to all that brought the gala together. We are all proud of the Wing's Outstanding Unit Award presented by Major General James Bankers to the 315th Airlift Wing at the gala. Speaker, Major General Robert Stephens, honored the guests with appropriate comments and recognition.

Model C-17 Airplane Appreciation Award – Alumni received a Thank You plaque for the contributions made by alumni members in support of the Mini C-17 Project. We gladly accept the award on behalf of those who have and are contributing to this outstanding endeavor.

Dedication of the Mini-model C-17 airplane is set for October 1, 2004 at 2 p.m. in the Nose Dock Hanger. We invite all of our C-17 friends and especially those who contributed so much for her birth to attend the grand roll-out. We are excited and want to thank you for your C-17 mini-model donations. You are the best fly crews and alumni members! If you would like to make a donation, send it to the alumni association.
